Make The Difference**

PROUDLY SERVING WESTERN CANADA

D and D Well Services is a family-owned and operated oilfield transportation company based in Grande Prairie, Alberta. We have been providing top of the line rig mobilization and oilfield equipment hauling services throughout Western Canada since 1995.

SERVICES

Rig Mobilization

We are fully equipped to handle your rig move needs regardless of location.

We offer safe, efficient, and reliable drilling rig relocation services throughout Western Canada. Since reliable rig moves depend on reliable equipment, our fleet consists of new equipment outfitted to withstand the rigors of the harshest climates and conditions. Whether it is a short or long move, our team and equipment will meet your needs and exceed your expectations.

Light & Heavy Oilfield Hauling

If it can be moved, we can move it. From piping to mud pumps, our fleet is versatile enough to handle it.

Our expert operators and drivers take special care when moving your equipment.

Our variety of rig and trailer combinations provide us with the added advantage of being able to transport overweight equipment in a safe and efficient manner. We excel at meeting timetables regardless of distance or weather conditions.

With a focus on quality equipment and top notch service levels, our reputation for reliable and safe transportation of oversized and overweight oilfield equipment is well-established and respected throughout the oilfield industry.
